Information about the service

Our business services are targeted specifically to small to medium businesses and are designed to function with a broad range of customer environments and hardware configurations. Voice Line Included provides customers with SIP trunking, which is used to connect SIP capable VoIP devices to connect to the phone network.

Is the offer part of a bundle?	No
Is the customer required to buy any goods as part of the offer?	Optional (See below)
Does the offer have any minimum term of use?	No

What Is Included:

This Voice Line Included plan includes calls to 13/1300 numbers, Local/STD calls and calls to Australian Mobiles. It also includes free MaxoTel to MaxoTel calls.

What Is Not Included:

Your plan does not include international calls and premium service numbers. Charges to these services will apply and are outlined below. This plan does not include any handsets or other hardware or equipment.

SIP-Compatible VoIP Handset(s) or PBX Required

In order to use this service, you will need a VoIP telephone handset, PBX, ATA or software compatible with the SIP protocol. MaxoTel recommends using this service with handsets purchased from the online shop at www.maxo.com.au/shop to ensure that you have a compatible and supported device. Alternatively, you may provide your own SIP compatible VoIP equipment or software. For more information about compatible equipment and software please see www.maxo.com.au/support/configuration-guides

Additional Fair Use Terms on Voice Line Included Plans:

Included calls are subject to fair use. Fair use of the MaxoTel Voice Line Included means that you must not use service in an unreasonable or fraudulent manner, or in a way that detrimentally interferes with the integrity of the MaxoTel network.

This service is intended to be used in a way that is consistent with a typical business' calling usage, according to statistical information known to MaxoTel. If we determine that your use of the service or it's features is at any time inconsistent with the normal inbound or outbound usage patterns for the type of service or plan that you have purchased, we have the right to suspend or discontinue service. Examples of inconsistent usage patterns include, but are not limited to, using the service in an outbound call center, or for telemarketing.

Only one SIP trunk is provided per account and this may only be used from a single device, such as a PBX, such as Asterisk, 3CX, or similar.

We may take action if you breach this policy, including suspending or cancelling your service. We reserve the right to enact such actions for any reason, at our own discretion, without notice to you.
