#### What Is Not Included:

This plan does not include the ability to make or receive calls or to send SMS. This plan does not include roaming for use overseas.

#### 4G/5G Compatible Mobile Broadband Device Required

This plan does not include a mobile broadband device. In order to use this service, you will need a mobile broadband device compatible with the Telstra network.

### MaxoSIM Card Required

To access the service, a SIM card is required which can be ordered from the MaxoTel online shop at <https://www.maxo.com.au/shop>

### No Early Termination Charges Apply

Because MaxoTel mobile broadband services are month-to-month there are no early termination charges. The total minimum amount that you will pay is the minimum monthly charge for your chosen plan specified in the plan table.

### Additional Charges

Optional additional data bolt-ons are available at an additional cost through the My Account Portal. Pricing and terms are available on the bolt-on order page.

## Other Information

### Data Usage and Spend Management

You can keep track of your usage at any time via the My Account portal. Notifications will also be sent to the account holder via SMS when at 50%, 80% and 100% usage. Please note that slight delays may occur in usage logging, however notifications will be sent as soon as practicable. Upon using 100% of the available service quota, the service will be restricted until the next period.

The My Account portal can be found at: <https://my.maxo.com.au>
