Other Information

Fair Use Terms

Included calls are subject to fair use. Fair use of the MaxoTel Mobile service means that you must not use the service in an unreasonable or fraudulent manner, or in a way that detrimentally interferes with the integrity of the MaxoTel or carrier network.

This service is intended to be used in a way that is consistent with a typical business' calling usage, according to statistical information known to MaxoTel. If we determine that your use of the service or its features is at any time inconsistent with the normal inbound or outbound usage patterns for the type of service or plan that you have purchased, we have the right to suspend or discontinue service. Examples of inconsistent usage patterns include, but are not limited to, using the service in an outbound call center, or for telemarketing.

We may take action if you breach this policy, including suspending or cancelling your service. We reserve the right to enact such actions for any reason, at our own discretion, without notice to you.

Data Usage and Spend Management

You can keep track of your usage at any time via the My Account portal. Notifications will also be sent to the account holder via SMS when at 50%, 80% and 100% usage. Please note that slight delays may occur in usage logging, however notifications will be sent as soon as practicable. Upon using 100% of the available service quota, the service will be restricted until the next period.

The My Account portal can be found at: <https://my.maxo.com.au>
